## **British Garden Centres arrives in Nottinghamshire**

The team at British Garden Centres (BGC) are delighted to announce the arrival of the group's 59th garden centre. Timmermans Garden Centre of Woodborough, Nottingham, and team, joined the BGC family on Monday 14th February 2022. As with all the centres in the group, this centre will also carry a local name so will be renamed Woodborough Green Garden Centre.

Phillippa Stubbs, Director of BGC South said “We have known the site for many years and admired the way the Timmermans family have developed its strong reputation for quality plants, a wonderful restaurant and a great family shopping experience. We are looking forward to working with the team to develop the business further and build on its heritage.”

Timmermans Garden Centre has developed over the last 30 years into one of the leading garden centres in Nottinghamshire. In recent years Sophie & Greg Timmermans-Delves have invested in the centre and restaurant. Following an extensive refurbishment programme in 2011, the team went on to be named 2016 Garden Centre of the Year at the Garden Retail and Garden Industry Awards.

Speaking of the sale, Sophie – daughter of the founder – said, “Having grown up in the business we thought long and hard about who should become the next custodians of it. We are delighted that our team is joining the British Garden Centres family. As our family embarks on a new adventure, we are confident that the centre will flourish and continue to serve the good people of Nottinghamshire well”

Woodborough Green Garden Centre is on the north-east side of Nottingham. Well situated between Nottingham & Newark to serve the area. The 8½ acre site has long been known as a horticultural hotspot having been home to Timmermans Roses for many years – a business dating back to the 1880s.

To work alongside the existing team, Woodborough Green is already recruiting for a number of additional colleagues. Full details can be found at [www.britishgardencentres.com](http://www.britishgardencentres.com).

### **About British Garden Centres:**

British Garden Centres (BGC) is the UK's largest family led garden centre group and second largest garden centre group in the UK with 59 centres, 2 plant nurseries and Woodthorpe Leisure Park – a fantastic, award-winning holiday park in the Lincolnshire Wolds.

BGC launched in 1987 with the opening of Woodthorpe Garden Centre by brother Charles and Robert Stubbs and has expanded rapidly ever since. Over the years BGC has grown from its heartland to the business it is now with 59 garden centres spread from Carmarthen to Ramsgate, Wimborne to East Durham.
